Financial Secretary to Government,

SIR,

I am directed to invite reference to your letter No.Fl. 5264/E.F.68-21-2 dated the 17th December 1921, stating that the proposal made by the Chief Court in its letter No.C.563 of 21-22 dated the 17th November 1921, viz., to relax the insurance rules so as to make subscriptions optional in the case of menials on Rs.10/-, 11/- and 12/- meets with the approval of Government, and to state that some of the menials getting Rs.13/- and above also represent that they find it very inconvenient to pay the monthly subscriptions if they have to insure their lives compulsorily and beg that insurance may be made optional in their cases also.

But the Chief Court does not consider it necessary that the rules should be relaxed in the case of all the menials of whatever class but would restrict it in the case of only the menials getting less than Rs.15/- per month.

I am to recommend that the Government may be pleased to relax the rules accordingly in the case of menials getting below Rs.15/- a month and make the payment of subscription optional in their cases also.

I have the honour to be,
Sir,
Your most obedient servant,

PNR.
